NEW COURSE OF BIBLE STUDY BY METHODISTS

A new course of study was begun
on Thursday evening at the Methodist
Memorial church under the direction
of the pastor, Rev. Dr. Leonard M. Ed-
wards. The Book of Revelation, to
many a book of mystery and not much
read, is the text book used.

In the last three years at the mid-
week services Dr. Edwards has led his
people in a study of the entire books
of the acts and the gospel of John
and now begins the Book of Revela-
tion as the third course.

Pocket copies of the book are dis-
tributed, and the desire is to have all
the church and congregation carrying
and studying the same book. The
attendance at the first meeting Thurs-
day night was very gratifying, there
being more than 200 present. Much
interest in this new course is being
evinced and it is expected that the
main Sunday school rooms will be
taxed to capacity.

TWO MEN ARRESTED FOR CHECK FORGING HERE

Assah Kallil and Lettly Habbib,
both wanted in Mishawaka on charges
of forgery, were brought back here
Friday morning from Lansing, Mich.,
by Chief of Police Kreiter, who went
to that city Wednesday in search of
these men.

Both were arraigned in the city
police court Friday morning before
Judge Feig and pleaded not guilty to
the charges. The trial was set for
Saturday morning at 9 o'clock, at
which time Judge Feig will decide as
to whether to bind the men over to
the circuit court or release them.

Both men are charged by Louis
Thomas of this city of having forged
his mark to a check on a local bank
to the amount of \$51. The check, it
is claimed, was passed for pay-
ment on May 6 of this year. Their
bonds were placed at \$500, which they
were unable to furnish.

WANT MAGAZINES FILES FOR LIBRARY REFERENCE

In an effort to establish a perman-
ent reference collection for the new
library and also for the present li-
brary as soon as possible, Miss Carrie
Crosby has issued a call for a file of
10 years of several prominent maga-
zines. Miss Crosby stated Friday
morning, "periodicals are of interest-
ing value as reference material, when
bound into volumes and made acces-
sible by magazine indexes."

The local library has purchased
these indexes and is now making a col-
lection of magazines for binding. They
will greatly appreciate gifts for the
files of the following magazines for at
least 10 years back: American City,
Atlantic Monthly, Century, Forum,
Harper's Monthly, Nation, National
Geographic, Outlook, Review of
Reviews, St. Nicholas and World's Work.
Anyone having any of these files and
wishes to give them to the library, will
please notify Miss Crosby.

ful that the factories will also close

thousands of employees an opportunity
to enjoy the day at the grounds. Mr.
Lang has seen the heads of the dif-

who thought well of the idea and have
promised him an answer tonight.
There is no doubt that Mishawakans
will turn out in masses to the big ce-
lebration Tuesday.
